

# End User Undertaking (EUU)

In order to comply with export control and sanctions laws, Water Linked AS ("Water Linked") requires that this form be completed, signed and returned for order processing to Proceed. If you are able to meet all of the following conditions, please affirm by signing below. If you cannot meet these conditions, please be aware that Water Linked will be unable to process your order.

## 1. End Use

I certify that the products, technology, software and/or services to be provided by Water Linked will not be used for any prohibited use. Specifically, the products, technology, software and/or services are not for a military end-use, unless specified in the application details below.

## 2. Sanctioned Countries

I certify that Water Linked items will not be sold or transferred to any country subject to NORWAY, EU, USA or UK sanctions or to any other country subject to sanctions where supply of such items would be prohibited without applicable government approval.

## 3. Denied Parties

I certify the products, technology, software and/or services will not be sold or transferred to any of the various denied parties lists established by NORWAY, EU, USA or UK, including without limitation, the U.S. Department of the Treasury's (Office of Foreign Assets Control) Specially Designated Nationals list, the U.S. Department of Commerce's (Bureau of Industry and Security) Denied Persons List or Entity List, among others.

Further, we certify that we and all parties involved in the purchase transaction are not owned (owned in the aggregate, directly or indirectly, 50% or more by one or more individuals) or controlled by any individual that is listed on any of the various denied parties lists described above.

## 4. Acknowledgement of Export / Re-export License Requirement

Products, technology, software and/or services provided by Water Liked may require an export licence and may also require a reexport license to reach the final destination. Such items will not be re-exported without a valid reexport license.
